

Bachelor of Commerce in Finance

Programme Details:

The programme consists of core (required) and elective modules. Some modules may have pre-requisites (i.e. may require the students to pass another module or set of modules first). The number at the end of the module in parenthesis indicates the credit load of the module. One credit is equal to 10 hours of learning (guided in class and independent combined); therefore 10-credit module requires on average 100 hours of learning from the students.
