

Master of Business Administration (MBA)

Programme details:

The programme consists of 11 core (required) modules and 8 Elective Modules. The Research Methodology is a pre-requisite for the Dissertation in the MBA Programme. Some modules may be co-requisite (i.e. such modules are required to be taken together). The number at the end of the module in parenthesis indicates the credit load of the module. 1 credit is equal to 10 hours of learning (guided, in-class and independent combined); therefore a 10-credit module requires on average 100 hours of learning from the student. The MBA Programme will be Block Release and Distance Learning.
